**The next item on the agenda was a resolution recommending the approval of the Seventh Annual Self-Evaluation of the Governance Committee.** Mr. Valella stated that after analyzing the responses to the evaluation, staff would be making an effort to provide members with a refresher presentation on board and committee responsibilities under the public authorities law that were put in place in 2005 and 2009, and that these presentations would address those responsibilities and any other concerns the committees may have. MBBA/TSFC Committee Chairman Bialo stated that the item referring to the use of the charter to guide the committee's efforts was scored the lowest on the evaluation and it might be helpful if the charter could, in some way, be presented in an outline format that would highlight the points that the committee must be aware of.
