

# TOWN OF HEMPSTEAD

## Nassau County

Program Name: Emergency Rehabilitation 2

Location: Town of Hempstead

Number of Units: 32

**RESTORE Award: \$125,000**

**Town of Hempstead** will administer a program to provide emergency home repairs for elderly homeowners.

The target population includes seniors 60 years of age and older in a low-income situation that are frail elderly persons, elderly with physical disabilities, and senior military veterans. The program will assist at least 32 homes that fit within this criteria that will need emergency repairs or replacement of damaged or non-working boilers that are needed for heat and hot water, burst or leaking pipes causing water damage within the home, emergency roof repairs to avoid loss of heat, water damage or exposure to outside elements, damaged or broken windows causing loss of heat or exposure to outside elements.

Additional funding will be provided by Town of Hempstead Community Development Block Grant.
