## **Livingston County**

Program Name: Livingston RESTORE II  
Location: County-wide  
Number of Units: 17

**RESTORE Award: \$125,000**

**Genesee Valley Rural Preservation Council, Inc.** will administer a program to provide emergency home repairs for elderly homeowners.

Livingston Restore II will provide funds for the cost of emergency repairs to eliminate hazardous conditions in seventeen homes owned by elderly who can not afford to have repairs done. General types of emergency repairs include urgent life, health, or safety issues involving mechanical systems or structural components of the home. Emergency accessibility adaptations may also be considered. Maximum lifetime repairs is \$7,500. 15% of the units will be owned by frail elderly households.

Additional funding will be provided by DHCR Access to Home, Livingston County OFA, GVRPC, Inc., Affordable Housing Corp., and DHCR HOME Program.
