**SONYMA RATE INCREASES**

Lenders have asked us why our interest rates sometimes exceed those of conventional mortgages. Keep in mind that SONYMA raises its capital through the issuance of tax-exempt bonds, thus our interest rates are based on the rates of these bonds and not on US Treasury rates. We make every effort to keep our rates as low as possible given our cost of borrowing. Although our rates aren't as competitive as in the past, SONYMA loans continue to offer many benefits such as 97% financing, down payment assistance, lower mortgage insurance coverage and premiums, no loan level price adjustments, etc.

**REALTOR TIP OF THE WEEK**

**Does SONYMA offer Down Payment Assistance?**

**Yes.** SONYMA's Down Payment Assistance Loan (DPAL) allows borrowers to secure down payment assistance through a second mortgage. The DPAL has no interest rate and requires no monthly payment. In addition to using the DPAL for closing costs and/or down payment, the DPAL can also be used to pay all or a portion of a one-time mortgage insurance (MI) premium often eliminating the monthly cost of MI.
