REALTOR & LENDER TIP OF THE WEEK

EXPIRATION DATES OF CREDIT, APPRAISAL AND POOL/MI CERTIFICATES:

Credit documents (paystubs, credit report, and bank statements) must be dated within 90 days of the date a file is submitted for PMI/pool insurance consideration. Appraisals must be dated within four (4) months of the date a file is submitted for review. If the appraisal is greater than 4 months old at the time of submission, the mortgage insurance underwriter will determine whether an appraisal update or a new appraisal is required. If an appraisal update is submitted and the appraiser states that the value of the property has declined since the original appraisal, a new appraisal will be required.

Once a loan has been approved, if the loan does not close prior to the expiration of the pool and/or MI certificate (six (6) months), the credit documents must be updated and a new appraisal is required.

If you would like to receive this notice weekly, please email npeevea@nyshcr.org and request to be put on our email distribution list for rates and other announcements.
