REALTOR & LENDER TIP OF THE WEEK

What information does the Lender Online (LOL) Loan Status screen provide?

The LOL Loan Status screen provides detailed information based upon the current status ("Status"/"Stage") of the SONYMA loan review process. Lenders should refer to this screen frequently to determine if a loan has been pended, approved, extended, cancelled, or rejected. By viewing this status screen, Lenders can then identify any conditions or exception items that may be holding up the pre- or post-closing compliance review process, including any documents that remain outstanding.

If you would like to receive this notice weekly, please email marie.cammarata@nyshcr.org and request to be put on our email distribution list for rates and other announcements.
