

Seeking Construction Trades MWBEs to Participate in Major Opportunity!

Five Year, \$2.5 Billion Affordable and Supportive Housing Plan

As a New York State Certified MWBE, the housing industry has great news for you!

New York State has committed to the development of safe, secure, and affordable housing for all New Yorkers over the next five years. There is currently a five year, \$2.5 billion capital plan to facilitate the development of housing and address the diverse housing needs of New Yorkers and combat homelessness. For your convenience, attached is Governor Cuomo’s Press Release issued on May 18, 2017. You may also view this press release and its various language translations by visiting: <https://www.governor.ny.gov/news/governor-cuomo-launches-landmark-20-billion-plan-combat-homelessness-and-create-affordable>

NYS Homes & Community Renewal’s Office of Economic Opportunity and Partnership Development is focused on increasing MWBE participation on all projects. Therefore, a list of qualified and certified MWBEs across the state is being formulated to be a part of this great plan.

If your business is in the construction trades and you are interested in growing your business, please complete the brief survey below and email to Econ.Opportunity@nysocr.org with the subject line of “Governor’s Housing Plan”, as soon as possible:
