QUESTIONS AND ANSWERS

Request for Proposals (“RFP”) for Printing and Mailing Services for HTFC Section 8 Program

Round 3 of Questions and Answers: Issued May 5, 2017

1. With respect to the MWBE and SDVOB Goals on Page 7 in Sections 4.1 and 4.2 of the RFP, are these hard numbers that we must hit? Or are you looking for the winning vendor to comply with your request to incorporate these groups at any percentage?

RESPONSE: A Contractor who is selected for the subject Contract must document its good faith efforts to provide meaningful participation by MWBEs and SDVOB as subcontractors or suppliers in the performance of the Contract and the Contractor agrees that HTFC may withhold payment pending receipt of the required documentation. The directory of MWBEs can be viewed at: <https://ny.newycontracts.com>. The directory of SDVOBs can be viewed at: https://ogs.ny.gov/Veterans/Docs/CertifiedNYS_SDVOB.pdf.

For guidance on how HTFC will determine a Contractor’s “good faith efforts” for MWBE participation, please refer to 5 NYCRR §142.8. For guidance on how HTFC will determine a Contractor’s “good faith efforts,” for SDVOB participation, please refer to 9 CRR-NY G § 252.2.

2. We are certified NYS MBE and would like to confirm if we can subcontract this project to our qualified print/mailing facility located in Lowell MA.

RESPONSE: If the firm submitting the proposal (i.e., the “Proposer”) demonstrates that it meets all the requirements in the RFP (including the MWBE and SDVOB participation requirements), then the Proposer may propose to subcontract this project to a qualified print/mailing facility, evidencing that the subcontractor also meets all the requirements in the RFP (except that the subcontractor would not be required to meet the MWBE and SDVOB participation requirements).

3. Is the incumbent is eligible to submit a proposal?

RESPONSE: Printing and mailing services are currently handled in-house by HTFC staff.

4. What is the spend for this contract?

RESPONSE: HTFC declines to respond to this question.

RESPONSE: No.

6. 11.2.1 Tab 2 A: Experience (page 15) - HTFC requests specific engagements during the past five (5) years in which the proposer performed similar tasks. How many engagement examples are required?

#10 Single Window – 25,000

#1 (10 x 13) Single Window Catalog – 8,000

#1 Reply Catalog – 8,000

Other sizes will be used sparingly upon request by HTFC.

12. Exhibit B: Cost Proposal Form (page 26) – Please provide additional information regarding the stapling requirements.

RESPONSE: Staples are required on larger mailings. Detailed requirements to be provided upon contract award.

13. Exhibit B: Cost Proposal Form (page 26) – With regard to Insertion of Business Reply Envelopes and / or other material, what constitutes “other material”?

14. Page 2 of the RFP: Vendor Responsibility Questionnaire: Would it be acceptable to submit a copy of the Vendor Questionnaire that has been recently completed and certified in the NYS Vendrep System rather than complete the form that is linked to the proposal. The form is the same document that is submitted on-line through Vendrep.

RESPONSE: Prospective Proposers may submit an online VendRep questionnaire if the questionnaire has a certification date of less than six months prior to the Proposal Submission Deadline.

15. Page 2 of the RFP: the checklist includes an item under Tab 5 called “License, Certification and other Credential Statement.” There is no further explanation for this item in the RFP. Can you provide more information regarding this item so that we can properly respond.

RESPONSE: This section is not applicable to this RFP.

1. How many types or subtypes of letters will there be and can you provide a listing at this time? Ref: Par 7.1.1.6 page 11.

RESPONSE: There are 71 unique types and slight variations of multiple-page letters. Refer to the attached document labeled as Exhibit C for a detailing list of document types with the estimated number of pages per mailing.

RESPONSE: Correct.

3. With reference to postage requirements; we assume with use of HTFC indicia that HTFC will be paying for the postage. RESPONSE: The awarded Proposer will track postage and provide requests to HTFC for additional funds as necessary.

4. Is it correct to assume the “modification of provided documents” means addressing to specific recipients only? If more can you please clarify. Ref: Par 7.1.1.6 page 11.

RESPONSE: This language can be found in Paragraph 7.1.1.3 of the RFP as opposed to 7.1.1.6 as cited. All documents will come pre-addressed. Letters and formats may change over time as operations are updated.

10. Cost Proposal Form does not provide pricing block for multi-page pricing. Ref. Cost Proposal Form, Exhibit B, page 26.

RESPONSE: Please refer to the Revised Cost Proposal Form attached hereto as Exhibit B and include the updated version in your Proposal Submission.

11. On page 12 of the RFP it states services should be provided within the New York City metropolitan area. I am located in Central New York. Is this a deal breaker for me?
