New York State Business Enterprises

1. Is your business a New York State Business Enterprise as defined below pursuant to Section 2879 of the Public Authorities Law?

(Please circle)

Yes

No

“New York State Business Enterprise” is any business enterprise, including a sole proprietorship, partnership or corporation, which offers for sale, lease or other form of exchange, goods sought by any Agency and substantially manufactured, produced or assembled in New York State, or services, other than construction services, which are sought by any Agency and which are substantially performed within New York State. For purposes of construction services, a New York state business enterprise shall mean a business enterprise, including a sole proprietorship, partnership, or corporation, which has its principal place of business in New York State.

Encouraging Use of New York State Businesses in Contract Performance

New York State businesses have a substantial presence in State contracts and strongly contribute to the economics of the State and the nation. In recognition of their economic activity and leadership in doing business in New York State, bidders/proposers for this Agency procurement are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the Agency awarded contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles.

Bidders/proposers need to be aware that all authorized users of the awarded contract will be strongly encouraged, to the maximum extent practical and consistent with legal requirements, to use responsive New York State businesses in purchasing commodities that are of equal quality and functionality and in utilizing services and technology. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses, consistent with current State law.

Utilizing New York State businesses in Agency contracts will help create more private sector jobs, rebuild New York’s infrastructure, and maximize economic activity to the mutual benefit of the contractor and its New York State business partners. New York State businesses will promote the contractor’s optimal performance under the contract award, thereby benefiting the public sector programs that are supported by associated procurements.

Public procurements can drive and improve the State’s economic engine through promotion of the use of New York businesses by its contractors. The Agency therefore expects proposers to provide maximum assistance to New York businesses in their use of the awarded contract. The potential participation of all kinds of New York businesses will deliver great value to the State and its taxpayers.

Bidders/proposers can demonstrate their commitment to the use of New York State businesses by responding to the question below:
